1. CEO MESSAGE

We are CVC Corp, one of the largest travel groups in Latin America. We are a solid group, made up of leading and renowned brands in the tourism industry. In 2020, we reaffirmed our commitment to operating in an ethical, integral, and transparent manner, supporting the development of an organizational culture with respect to diversity and sustainability. That is why, we have reviewed our entire compliance framework and, seeking CVC Corp Group's continuity, we have edited our Code of Ethical Conduct, which aims to guide our employees and partners in internal and external relations with shareholders, investors, customers, competitors, public officials and other third parties.

I believe that the success of the CVC Corp Group depends on the commitment and attitude of each one of us. I trust each one of you to understand, share, respect and care for our purpose, our values, and the fulfillment of our Code of Ethical Conduct.

May this new document be our GUIDE in conducting CVC Corp relations.

Fabio Godinho

CVC Corp CEO
07/2023

2. INTRODUCTION

CVC Corp's Code of Ethical Conduct clearly and objectively guides the expected behavior of our employees and partners who represent any of the companies in the CVC Corp Group. It is by adhering to our values that we earn people's respect and trust, thus solidifying CVC Corp Group's reputation with ethical and honest standards.

CVC Corp's conduct in its business is the responsibility of all those who act on its behalf or in its favor, and it is of utmost importance that all employees, partners, suppliers, franchisees, and master franchisees comply with our Code of Ethical Conduct.

This Code of Ethical Conduct was approved by CVC Corp's Board of Directors and is available on the following channels:

— every day —

Our Values

- 1^o Providing assistance is our reason for existing
- 2^o We have passion for selling
- 3^o Commitment to partners is part of our DNA
- 4^o We are one team

6. WORKPLACE

6.1 Diversity and Respect

We value people and their individuality and honor their rights and differences. We believe in an environment of mutual respect, and we do not tolerate discrimination or any type of harassment. We seek to offer equal opportunities for all, regardless of color, race, creed, sexual orientation, origin, or special needs.

We guarantee a diverse, welcoming, and inclusive work environment, hiring employees with different thoughts and backgrounds, encouraging democratic and equal relations.

We believe that respect is a fundamental condition for maintaining good relationships in our workplace.

6. WORKPLACE / 6.1 Diversity and Respect

Expected behaviors:

- Ensure a cordial, respectful and transparent treatment, making sure that everyone feels included and that their rights are guaranteed;
- Be impartial, with a sense of equality, not allowing friendly or personal relationships to interfere with work;
- Honor and respect the guidelines, procedures and schedules established in the employment contract;
- Responsibly use benefits received (transportation voucher, health plan, corporate card, and other benefits);
- Work collaboratively, encouraging the diversity of ideas and constructive dialogs;
- Respect the freedom of choice, origin, preferences, differences, and lifestyle of each individual who relates to CVC Corp; and
- Give honest and transparent feedback.

Non-tolerated behaviors:

- Use your role or position at CVC Corp to favor, harm or disrespect anyone;
- Adopt any type of discriminatory conduct, disrespecting people with disabilities or their gender identity, sexual orientation (LGBTQI +), race, color, religion, marital status, age, or nationality;
- Disclose, promote, or share, in the workplace or social media, defamatory statements, insults or offenses;
- Carry out political, religious campaign or of any nature that compromises CVC Corp's image; and
- Censor or repress the free expression of thought by employees that does not affect CVC Corp's reputation.

6. WORKPLACE

6.2 Discrimination, Bullying and Sexual Harassment

Discrimination is the segregation of people that prevents an inclusive environment, whether due to sex, ethnicity, religion, age, gender, nationality, disability, among others. CVC Corp CVC Corp repudiates any form of discrimination.

Bullying is the repeated and prolonged exposure of people to humiliating and embarrassing situations in the workplace. It is a behavior that damages the dignity and integrity of the individual, putting health at risk and harming the workplace. Bullying is not just linked to hierarchy, but to an employee's dignity. For example, when an employee suffers psychological violence due to the circumstances imposed by the company, or even when hierarchically inferior employees harass their superior.

Sexual harassment is considered a crime in Brazil, as well as in many other countries. It is defined as embarrassment with sexual connotations, forced or disrespectful acts, even in the context of play or favors. It may be verbal or physical. Such conduct can interfere with the individual's work performance, creating a hostile and offensive environment, in addition to causing psychological damage to the victim.

Sexual harassment includes unwanted pressure for sexual favors, unwanted deliberate touching, whistling or insinuating sounds, unwanted sexual teasing or questions, sexual comments about a person's clothing or appearance, impertinent invitations as a condition to keep the job or be promoted, and the like.

6. WORKPLACE / 6.2 Discrimination, Bullying and Sexual Harassment

Expected behaviors:

- Contribute to a positive and safe workplace, without any form of discrimination; and
- Use our Ethics Hotline to report any form of discrimination, bullying or sexual harassment you may witness or have knowledge of.

Non-tolerated behaviors:

- Perform any act that characterizes discrimination, bullying or sexual harassment;
- Use offensive words and hostile ways of addressing people;
- Disturb or harass any individual, creating an embarrassing environment; and
- Refer to other collaborators with derogatory nicknames or names, mainly because of their sex, ethnicity, religion, age, gender, nationality, disability.

Expected behaviors:

- Behave consistently with CVC Corp's values at parties, trips, and corporate events.

6. WORKPLACE

6.3 Drugs, Alcohol and Weapons

Aiming at an environment of tranquility and respect among our employees, we have established rules regarding the use of drugs, alcohol, and possession of weapons.

Non-tolerated behaviors:

- Work while drunk or under the influence of substances that interfere with our behaviors and that may affect the security of labor relations, as well as perform acts that jeopardize the safety and well-being of all; and
- Carry, store, or manipulate ammunition or weapons of any kind on the premises of CVC Corp or while carrying out activities on behalf of the company.

6. WORKPLACE

6.4 Information Integrity

CVC Corp values compliance with current legislation and is strengthening its control environment to ensure the integrity of information, accounting, and business records. All employees must be honest, responsible for their actions, comply with internal rules and care for company's assets.

6. WORKPLACE / 6.4 Information Integrity

13. BRAND USE AND SOCIAL MEDIA

On social media, all employees must make sure they use CVC Corp names and trademarks in accordance with the same ethical principles. The digital environment has rules for good group living and it is important to follow the guidelines on good practices for social media, which aim to preserve the image of CVC Corp and its employees.

All guidelines regarding the press, use of brands and social media are part of the Communication Manual - Press and Social Media available to all CVC Corp employees. If in doubt, do not write, do not comment, and do not share, consult the Internal Communication area for further guidance.

13. BRAND USE AND SOCIAL MEDIA

Expected behaviors:

- Inform the responsible area about any invitations to represent CVC Corp at virtual or in-person events;
- Interact with ethics, respect, and responsibility on social media; and
- Ensure that your personal statements are not confused with CVC Corp statements.

Non-tolerated behaviors:

- Share CVC Corp information without authorization; and
- Spread false information that can damage the image of others.

14. INTEGRITY MANAGEMENT

14.1 Commitment to Governance and Management of the Code of Ethical Conduct

CVC Corp is structuring its internal governance in accordance with the best market practices, and seeks to strengthen the control environment, as well as to disseminate the culture of compliance and risk management, in compliance with current laws and regulations.

To guarantee transparency, respect, and integrity in the conduct of business, CVC Corp offers its employees the Ethics Hotline to report events that will be dealt with by the integrity management structure.

14.2 Integrity Management Structure

This structure will monitor compliance with the Code of Ethical Conduct and related standards and assess and process reports received through the Ethics Hotline, in an autonomous, unbiased, and independent fashion, keeping the whistleblower's anonymity.

This structure is as follows:

BOARD OF DIRECTORS

AUDIT COMMITTEE

ETHICS COMMITTEE

The integrity management representative who, directly or indirectly, participated in the event reported or who has a close link with those mentioned cannot participate in the investigation of the event.

14.3 Ethics Hotline

The Ethics Hotline will be available to all CVC Corp employees and partners and aims to preserve its purpose and values. The knowledge of any risk to the integrity of the company must be promptly reported.

If you experience or suspect any conduct that is in disagreement with the guidelines of this Code of Ethical Conduct, you are expected to report it with consistent elements and present evidence. Reports may be anonymous or identified. Regardless of the form, we protect the whistleblower from any negative consequences and preserve their anonymity.

Any manifestations, reports or accusations without consistent reasoning will be disregarded.

Our Ethics Hotline is independent, with exclusive telephone assistance, 24/7. The calls are answered live, in a system without waiting.

CVC Corp will provide its employees and partners with a track of knowledge on ethics and, in case of doubts about possible conduct, consult your manager or the Compliance area (compliance@cvccorp.com.br).

14.4 Sanctions

Non-compliance with the guidelines established in this Code of Ethical Conduct and related regulations will be subject to penalties. Internal sanctions may be a warning, suspension, or dismissal with or without just cause, depending on the level of seriousness of the act. CVC Corp may terminate any relationship entered into with any third parties, partners, suppliers, franchisees, or master franchisees that do not act in accordance with this Code of Ethical Conduct or the legislation in force.

14.5 Retaliation

Reporting any violation of this Code of Conduct can be done anonymously, including through our Ethics Channel, as described above. CVC Corp will not tolerate any form of retaliation or threats of retaliation against a good-faith reporter who discloses, via the Ethics Channel or any other reporting method, any act or omission that poses a potential risk to the integrity of CVC Corp, as well as potential violations of CVC Corp's policies, Code of Conduct and Ethics, and applicable laws and regulations concerning CVC Corp.

For clarity, "retaliation" is understood to mean any direct or indirect action that aims to punish and/or harm the reporter within and/or outside CVC Corp, or limit their activities within CVC Corp, due to any report or any other action taken in compliance with this Code of Ethics.

Any form of retaliation will constitute a violation of the Code of Conduct and policies of CVC Corp and should be reported through the Ethics Channel, and will be subject to the sanctions outlined herein.

14.6 Training and Dissemination of Ethical Culture

CVC Corp is interested in training our employees in matters relevant to the dissemination of ethical culture.

There will be mandatory training on this Code of Ethical Conduct and the employee will sign an Adhesion Term to demonstrate knowledge of the conduct expected by CVC Corp and commit to complying and acting in accordance with CVC Corp's precepts.

Annually, updates and adjustments to this instrument will be made, as well as refresher training, with assessments that will measure the absorption of knowledge and the eventual need for actions that guarantee a working environment and ethical and healthy relationships between employees and external audiences.
